

Zenghuang Fu

PhD Student

✉ your_email@example.com 📍 China 🔗 Zenghuang-Fu

Summary

PhD student working on machine learning, with research interests in self-play and skill evolution for self-evolving agents.

Education

PhD	Your University , Computer Science • Research on self-play and skill evolution.	Your City, Country Sept 2024 – present
BSc	Your Undergraduate University , Computer Science	Your City, Country Sept 2020 – June 2024

Experience

Your Lab / Group , Research Assistant • Describe what you worked on here.	Your City, Country Sept 2023 – present 3 years
--	--

Publications

Your paper title here One-line summary of the paper. Zenghuang Fu (Venue / arXiv)	Jan 2025
---	----------

Skills

Programming: Python, PyTorch, C++
Research: Reinforcement Learning, Self-play, LLM Agents

Languages

Chinese: Native speaker
English: Fluent

Interests

Research Interests: Self-evolving agents, Skill evolution, Self-play, Reinforcement learning
